CYBERSECURITY ACTIVITY BOOK

for Kids

A word search grid with 15 rows and 15 columns of letters. The letters are arranged in a grid, and several words are hidden. A blue oval highlights the word "PASSWORD" in the second column, starting from the second row and ending at the eighth row. The grid is decorated with pixel art illustrations of various fish: a clownfish, a blue fish, a grey fish, a purple fish, and another clownfish.
